WEDDING & EVENTS PHOTOGRAPHER

Wedding Collections

2026 - 2027

Hello, I'm Tracey,

I am a storytelling wedding photographer based in Bures, on the Essex/Suffolk border near Colchester. I travel all over the UK and Europe to tell heart-felt love stories.

I love capturing the best of human connection, interaction and emotion. I also love art and have a unique style fusing fine artistry and documentary wedding photography to create images that are natural, captivating and creative, yet authentically yours.

I cannot wait to get to know you and begin this exciting journey with you. I am so honoured to be considered to be your photographer for this incredible milestone in your lives.

Here are some of my pre-made collections, any of these can be customised or a bespoke collection can be completely tailor made for you to suit your vision for your wedding day.
